Please join us on Thursday February 27th from 9:00am – 12:00pm. Our focus will be on forth-coming commercial gas product D.O.E. changes for 2026. The class will cover the new regulations, products being discontinued and what you'll need to consider when installing compliant product. Class knowledge will help you educate your customers and take a proactive stance on these changes, keeping you ahead of your competition.
